

This presentation is open to physicians and allied health professionals practicing in residential care. It has been certified for 2.5 Group Learning Mainpro+ credits from the College of Family Physicians of Canada.

# RESIDENTIAL CARE INITIATIVE

## PRACTICAL DEPRESCRIBING IN RESIDENTIAL CARE

CHOOSE FROM TWO WORKSHOP TIMES:

THURSDAY	FRIDAY
DEC 13	DEC 14
EVENING	MORNING

Join Dr. Jessica Otte (MD, CCFP), Dr. Tom Perry (MD, FRCPC), and Dr. Aaron Tejani (PharmD) for an evidence-informed discussion about anticholinergic and statin drugs in the elderly. Apply the evidence and broaden your skills in this interactive workshop on deprescribing.

Participants can expect to:

- Increase understanding about the use of anticholinergics and statins with the elderly, employ tips to spot subtle side effects, and articulate why to minimize/avoid their use
- Develop a practical process to use when reviewing medication lists and deprescribing
- Practice working through cases and increase confidence to tackle their own cases

THURSDAY:  
**6-8:30PM**  
DINNER SERVED AT 5:30PM

FRIDAY:  
**9:30AM-12NOON**

WILL BE CONFIRMED WITH REGISTERED PARTICIPANTS PRIOR TO THE WORKSHOP.

RSVP BY  
**THURSDAY, DEC 6**
