“Very good information with thought provoking presentations. More people should know and acknowledge these things.”

— Testimonial from Past Participant

Accreditation

The University of British Columbia Division of Continuing Professional Development (UBC CPD) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide study credits for continuing medical education for physicians.

This course has been reviewed and approved by the UBC Division of Continuing Professional Development. This group learning course meets the certification criteria of the College of Family Physicians of Canada and has been certified by UBC CPD for up to **3.75 Mainpro+** credits.

This course is an accredited group learning activity eligible for up to **3.75 MOC Section 1** credits as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Each physician should claim only those credits he/she actually spent in the activity.
