

Methods Speaker Series

Equity in evidence synthesis

Wednesday, June 26, 2024 12:00-13:00 PDT

In this webinar, Jennifer Petkovic, Affiliate Investigator at the Bruyere Research Institute and Coordinator of the Campbell and Cochrane Health Equity Thematic Group and the MuSE Consortium, will discuss how equity can be considered in evidence synthesis and how to include equity in the question formulation, planning the methods, and reporting a review.

Dr. Jennifer Petkovic

Affiliate Investigator, Bruyere Research Institute
Coordinator of the Campbell and Cochrane
Health Equity Thematic Group
